Amelia bedelia first day of school pdf

© 1996-2014, Amazon.com, Inc. or its affiliates Amelia Bedelia goes to school and mixes up just about everything in this bright and funny picture book about the childhood of the iconic character. In the first book in the nationally bestselling series about the childhood of America's favorite literal-minded housekeeper, Amelia Bedelia is sure that she will absolutely love school—after all, what's not to love? But after hopping on the bus "just like a bunny" (hurry up, sweetie!), confusing her name tag with a game (we are not playing tag), and gluing herself to her seat (oh, dear), Amelia Bedelia discovers that what she takes for granted is not always the way the world works. Still, friendships are formed, lessons are learned, and projects are completed, and through it all Amelia Bedelia's teacher, Mrs. Edwards, offers gentle guidance and an open heart. The Amelia Bedelia books have sold more than 35 million copies! On the day after Halloween, in the year 1327, four children slip away from the cathedral city of Kingsbridge. They are a thief, a bully, a boy genius, and a girl who wants to be a doctor. In the forest they see two men killed. As adults, their lives will be braided together by ambition, love, greed and revenge. They will see prosperity and famine, plague and war. 5 out of 5 stars By bex4ad on 15-03-11 Description Product Details Click on the cover image above to read some pages of this book!
